Bright, high resolution projectors maximise impact

Ricoh PJ WUL5970 and PJ UHL5970 are the new supremely durable and eco friendly laser projectors from Ricoh. Thanks to their long-lasting laser light source, the powerful projectors require minimal support. Reducing lifetime costs, they offer 20,000 hours of maintenance-free performance. Ideal for use in corporate presentations, auditoriums, museums or displaying signage at hospitality events, they will light up your presentations.

- 5,000 / 5,500lm brightness is perfect for larger rooms and bigger audiences
- Exceptionally long life of 20,000 hours, thanks to their eco friendly laser light source
- 4K UHD ultra high resolution projection (PJ UHL5970)
- Instant image projection though the quick turn on / off feature
- Flexible installation and easy projection by vertical / horizontal keystone, lens shift, 360° free projection, HD base T functions
- Compatibility with device management systems like Crestron, AMX, Extron, PJ link via network

*PJ UHL5970 will be launched later in 2020
